PUSH THE BOUNDARIES OF QUALITATIVE RESEARCH

Senior Opportunity

Are you a qualitative researcher or a marketer with around five years of experience, ready to lead complex communication and NPD projects?

We are seeking a talented professional who:

- Holds a **Master's degree in Social Sciences or Marketing**
- Has **experience in leading and managing a team**
- Demonstrates **excellent communication skills** and the ability to interact effectively with clients at all levels
- Is **confident in leading new business initiatives**
- Has a **passion for communications initiatives**, including writing articles, opinion pieces, and delivering conference presentations
- Shares our **commitment to delivering fresh insights** into consumer behavior using state-of-the-art research techniques

We offer a **friendly and stimulating work environment** that supports individual career development, including advancement training programs in Greece and abroad. All applications will be treated in **strict confidence**.

If interested, please send your detailed CV to HR@globalink.gr
