

**BUREAU  
VERITAS**

## Announcement

We are aiming to strengthen our **BUREAU VERITAS Piræus** Ships in Service and New Building Departments in the field of Electricity and Automation.

The successful candidates for our Plan Approval Department should have an adequate knowledge of English language and their character integrity and culture should fit the Society's Code of Ethics.

All candidates should have, as a minimum, the following education:

- Hold an Electrical Engineer's Diploma (AEI) or equivalent.
- Hold an Electrical Engineer's Diploma (TEI) plus a postgraduate degree in either Electrical Engineering or Marine Engineering.

The candidates should have at least five years of experience in the marine electrical and automation engineering field, either in design, installation and maintenance of marine electrical and electronic systems or relevant seagoing experience.

Send your curriculum vitae to Mr. V. Dimoulas.
